This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty of water under Permits 19688, Certificate 6945; 27944, Certificate 8526; 27945, Certificate 8838; 48514; 48515; 48516; 48517; 48518; 48519; 48980; 48981; 48982; and 61723 shall not exceed 5,024.31 acre-feet annually.

This permit is issued with the understanding that no consumptive use of this water is allowed and no alteration of the stream channel may be made. The beneficial use of the water granted herein shall not be diverted from its natural channel to allow for the recharge of the groundwater basin. The beneficial use of water of this permit will be as a result of the withdrawal of water from the domestic wells approved under the subdivision maps of Rye Patch Ranch Estates Phase A (511 lots); Rye Patch Ranch Estates - Phase B (129 lots); Rye Patch Ranch Estates - Phase C (348 lots); Humboldt River Ranch - Phase D (225 lots); Humboldt River Ranch - Phase F (226 lots); and Humboldt River Ranch - Phase G (356 lots).
